

Where international, state, and/or county boundaries coincide, the map shows the boundary symbol for only the highest-ranking of these boundaries.

- ¹ A " * " following a place name indicates that the place is coterminous with a MCD. A " 0 " indicates that the place is also a false MCD; the false MCD name is not shown.
- ² A " * " following a block number indicates that the block number is repeated elsewhere in the block.
